The Chilwell Family of Schools have worked together to design and implement an assessment structure that starts in Year 1 and continues through to Year 11.

All pupils will be assessed in relation to Age Related Expectations.

A pupil who is achieving SECURING is working at Age Related Expectations.

A pupil who is achieving DEVELOPING, ESTABLISHING or SUPPORTING is working below Age Related Expectations.

A Pupil who is achieving MASTERING or EXCELLING is working above Age Related Expectations; very few pupils across the Family of Schools will be Excelling.
