Returning to School in September – Start and Finish Times

BE ON TIME * STAY APART * KEEP SCHOOL SAFE

- These need to be staggered to enable the maximum amount of social distancing to protect you, your children and the staff.
- **It is vital the exact times are followed** to ensure all the children have the same amount of teaching time. **Please do not arrive early as there is nowhere to wait.**
- The letters relate to the initial letter of your child's surname. If you are bringing children to school who have different surnames then please use the adults surname who is bringing them.
- F2, Y1 and Y2 will be asked to line up separately. If you have more than one child in these age groups line up for the youngest child.
