

Important Dates to Support Transition In to School

June 2021

Week beginning 21st June. If your child does not currently attend our Nursery, the office will email you important paper work. Please complete these forms as soon as possible and email back to school. We will also be phoning your child's current pre-school provider to have a chat to enable us to find out a little about our newcomers.

Monday 28th June. We will email you to let you know which class your child will be in and the names of the teachers. We will also post a welcome video of your child's new teacher or teachers and your new classroom on our website for you to show your child.

July 2021

Thursday July 1st at 6.30 pm. We are holding an information meeting for new parents. This meeting will take place over zoom. There will be a link for this meeting in the email you receive on June 28th. The power point accompanying this meeting will be posted on our website following the meeting.

Wednesday 7th July. A story time video will be posted on our website for you to share with your child.

Week Beginning 12th July Children not currently at TV will be offered a 9.30 am–10.00 am visit to school and meet their new teacher, face to face. This will be outside. One parent only please.

Thursday 15th July Children from TV Nursery will be visiting their new classes within the school day.

Friday 16th July An E book about school will be posted on our website for your child to look at over the summer holidays.

September 2021

Wednesday 1st, Thursday 2nd and Friday 3rd Sept. We are holding 2 transition visits to school. The first session will be a stay and play session where one parent can stay with your child. The second session will be a short visit to school, where we are hoping you will be able to leave your child for short while, to play by themselves.

Week beginning September 6th. We will have a staggered intake of children into school. You will be given a start date and time for your child to start school within this week.
